To all Pupils

I am writing to let you know how much I am missing you all, and very much looking forward to seeing you all again.

I know that for some people it has been a really difficult time and I hope we can and have supported you through this. I also know that for many trying to complete work set has been difficult and I appreciate that too, and hope you are not too worried about that.

I am however, overwhelmed and amazed by the amount and quality of work that has been completed. All your teachers and support staff at SHS are working really hard to produce exciting work in a very different way!

We are very slowly and carefully starting to look at how we can get everyone back to school. This will however be a very slow process and will be led by the Scottish Government. Above all we must ensure to the very best of our ability everyone's health and safety – our school motto 'Happy, Healthy and High Achieving!'

Please continue to take great care and be kind to yourselves and your families.

Kind regards

Mrs Goodbrand
