Dear Parents/Carers

We are now into Week 5 of Term 1. I would like to thank you all for your support, patience and positivity as we develop new plans and procedures to support Covid safety at Speyside High School.

We are delighted to announce that Mr John Naples-Campbell has been appointed as Acting Depute Head Teacher and will take up this post as soon as possible. Mr Campbell will have a wide remit, but he will also be providing ongoing support for the Performing Arts Department.

Young people have been overwhelmingly impressive in the way they have embraced the new procedures. I would particularly like to recognise their positivity in the wearing of face coverings (those who are able to). This attitude really does underline their respect for others who may be more vulnerable than they are.

It is vital that we maintain our high standards. In particular we have noticed a reduction in the volume of hand sanitiser being used at entrances and exits recently. It is imperative that all young people remember to use the sanitiser as they enter and leave the building. If a young person cannot use this sanitiser it is vital they bring hand sanitiser that they are able to use.

Yours faithfully
