

# SPEY SAFE

## IMPORTANT

Thank you to all who are wearing their face coverings and protecting our community.

Bus pupils – let's ensure we show respect to the driver and other, potentially vulnerable, pupils by all wearing face coverings. Just because you might be at a low risk doesn't mean those around you are.

We might have face coverings now but don't forget all the other advice. It still applies, particularly distancing where possible.

Remember hand washing/sanitising every time we enter and exit the building.

Please maintain social distance

**DO NOT** attend school if symptomatic

- new continuous cough
- Fever/high temperature
- Loss of taste or smell

Follow One Way System

Avoid congregating in big groups.

Enjoy the outdoor spaces during break and lunchtime.
