

Spey Safe

Friday 25 September 2020

Please note the new restrictions from the Scottish Government:

A maximum of six 12 to 17 year olds can meet in outdoor spaces, with no household limit. Physical distancing is still required.

Please respect all members of our community. **This includes lunchtimes in local shops and streets.** Remember to **socially distance from others** (ie when passing in a shop/street, queuing to enter a shop). For those that are able face coverings must be worn in shops.

Following guidelines, breaks and lunchtimes will continue to be outside whenever possible. Therefore as we head into cooler weather please remember appropriate outdoor clothing, especially jackets.

Remember (for those that can) face coverings **must** be worn on buses. Let's continue to keep each other safe.
