

Speyside High School

PE Department

Important updates to PE policy:

Following a recent Health and Safety inspection we are now able to use the changing rooms again!

- Please could ALL pupils bring PE kit with them to school, with immediate effect.
- Students who have PE P1 should come to school in PE kit, but **MUST** bring school uniform to change into after their lesson.
- Those who have PE P7 will be allowed to go home in their PE kit, but **MUST** come to school in their uniform.
- Students will be asked to wipe their seating area of the changing room after use with a disposable wipe, (provided by PE staff)
- Hand sanitiser is available in the Games Hall, and all equipment is disinfected after each use to maximise safety.
- Valuables can be placed into a blue tray and these will be stored in the PE Office during lessons.
- Lessons will continue as normal and will all be outside, except in the case of very inclement weather.
- Activities will remain as they are for now, and we hope that some clubs will be able to restart soon.
