

Spey Safe

Friday 13 November 2020

Top Tips

Please see attached sheet of Top Tips issued by Moray Council.

Bus Checks

Starting next week SLT will be carrying out checks on all buses to ensure pupils are travelling on the correct bus and have the appropriate pass.

Social Distance

It is important that we maintain the 2 metre distance from each other to prevent the spread of Covid. At times where this isn't possible everyone should wear a face covering, unless exempt.

Contact Information

Please ensure you complete the Annual Data Check which was sent home with pupils on Monday. It is important that we have your current email address and mobile number should we require to make contact with important correspondence.
