Virtual Assembly—Period 4
Quiz—Period 5

WRAP UP!

We are sticking to guidelines and staying outdoors as much as possible during breaks and lunchtimes. Please wear a Winter Jacket and as many layers as required to keep yourself warm.

COMMUNITY

It is important that we respect ALL members of our community. This includes lunchtimes in local shops and streets. Be kind to yourself and others!

LUNCHTIME MESS

It has been brought to our attention that an awful mess is being left down the street by pupils at lunchtimes on a regular basis. Please ensure that all rubbish including food waste is put into the bin and not spread all over the street. Thank you.

GIFT GIVING

In previous years members of our school community like to show their appreciation to staff members by way of a small gift which is very kind and thoughtful. This year we have all faced lots of different challenges and we would like to ask that you do not buy and bring in gifts for school staff. Thank you.
