

# Spey Safe

## Friday 26 March 2021

### Moving around school:

- Maintain one way system
- Use designated entrances (information included)
- Use appropriate social areas when necessary (information included)
- Use appropriate toilets as directed (information included)

### Face Coverings:

Face coverings are to be worn at all times unless you are exempt

### Self-Testing:

Young people should sign up to the self-testing programme which you will all have had details of already

### Sanitising:

- Hand sanitiser is to be used at entrances and exits and before and after eating.
- Hand sanitiser and cleaning of desks in classes to be continued as appropriate

### Social Distancing:

- 2m distancing will not happen in classes but should be adhered to at all other times
- Young people should go outside at break and lunchtimes wherever possible unless the weather is particularly inclement – could you remind your young people of this

### Attending school:

- Young people should not attend school if they are suffering any of the Covid symptoms; fever, persistent, new cough, loss of taste or smell.
- If anyone in the household is awaiting a Covid test result – then young people should not attend school
