

e-Sgoil Summer Provision for Senior Phase — Information for Schools

There is a range of resources available for Senior Phase learners over the summer months. Some learners may be working towards completing final assessments and others preparing to start new courses in August.

Summer Senior Phase Support

The **interactive pdf** will signpost the NeLO resources available. Links are provided to all the existing resources including the e-Sgoil Learning Spaces and Help Desk Spotlight Sessions and the West OS materials.

Subject Drop-Ins

Timetabled Subject **Drop-In sessions** are available to learners who have been specifically identified by their school and are using the **"Incomplete Evidence contingency"** window in August, prior to the 3rd September deadline. Learners can access the Drop-Ins to get support and/or discuss specific questions with a subject specialist teacher. Schools can sign learners up before the end of this term. The live provision will begin week commencing Monday 9th August.

*To discuss this further, and sign up learners, please call Rhona Johnstone on **07795 291542** (Monday - Friday 10am - 5pm) during term time. If you wish to find out more information during the holiday period, please email **e-sgoil@gnes.net**. Emails will be checked on a regular basis.*

Study Support Webinars

N5 consolidation webinars for those beginning new Higher courses, leading to a full webinar programme will run from mid-September.
