- If you have already placed an order via the app and on the day your young person is unable to attend school then the order can be cancelled via the app and refund will be made. Please note that orders must be **cancelled by 9.30am**.
- If your young person has been in school for part of the day and has had to leave prior to interval and/or lunchtime then they should speak to the canteen staff when they return to school and a refund can be arranged.

Yours faithfully
